Background	My name is David Sackitey, and I'm a hardworking and reliable individual with strong experience in physical work, teamwork, and organization. I'm good at handling tasks that require attention to detail, time management, and efficiency — especially in fast-paced environments like warehouses and logistics operations. I take pride in being dependable, quick to learn, and always ready to support others to get the job done right. I'm also skilled at keeping work areas organized and ensuring safety and accuracy in daily activities. At present, I'm focused on improving my professional skills and exploring job opportunities in warehouse and logistics roles in Europe. I've been actively learning more about the Italian Decreto Flussi and Nulla Osta process, preparing my documents, and working toward securing a stable position that allows me to grow and contribute my best.
