<b>Background</b>	I am MD ALFU MIAH, a visionary agricultural professional with five years of hands-on experience in sustainable farming. To me, agriculture is not just a livelihood but the vital engine of our national economy. I am on a mission to evolve traditional practices into 'Smart Agriculture' by integrating advanced innovations such as drone-assisted monitoring, precision crop management, and automated irrigation systems. My focus is on maximizing productivity and environmental sustainability through technological excellence. Ultimately, I aim to lead a modern agricultural revolution that ensures food security and inspires the next generation to view farming as a prestigious, high-tech, and rewarding career.
