EMPLOYMENT HISTORY

Year Of Exprience	4
--------------------------	---

Background	With over 4 years of hands-on experience in sustainable agriculture and crop management, I specialize in planting, growing, and harvesting a wide range of crops, including vegetables, fruits, and paddy. My expertise spans greenhouse cultivation, hand harvesting, and the use of modern agricultural equipment. I have successfully managed greenhouse crops like tomatoes and cucumbers, applying sustainable practices to maximize yield while minimizing environmental impact. I am highly skilled in teamwork, operating agricultural equipment, and maintaining healthy, productive crops through every stage of the growth cycle. My approach emphasizes sustainable farming techniques to ensure both high-quality produce and long-term soil health. Whether working independently or in teams, I bring a strong work ethic, attention to detail, and a commitment to achieving excellent results in all aspects of agricultural production.
