EMPLOYMENT HISTORY

Year Of Exprience	10 years more
--------------------------	---------------

Background	Am a dedicated and hard-working agricultural worker with more than 10 years of hands-on experience in farming, livestock care, crop cultivation, irrigation, and general farm maintenance. Coming from a farming background in Bangladesh and currently working in Oman, I have developed strong practical skills such as planting, harvesting, soil preparation, fencing, animal care, and basic machinery handling. I am physically strong, disciplined, honest, and able to work long hours in challenging outdoor environments. I adapt quickly to new systems and follow instructions responsibly. I am now seeking an opportunity in Europe under a legal work visa where I can contribute my farming skills, gain international experience, and support long-term agricultural productivity. I am fully prepared to relocate, learn new methods, and work with dedication.
