EMPLOYMENT HISTORY

Year Of Exprience	12
--------------------------	----

Background	I have over three years of experience working in a warehouse environment, where I honed my skills in inventory management, order fulfillment, and operating heavy machinery such as forklifts. My responsibilities included loading and unloading shipments, organizing stock efficiently, and ensuring that all safety protocols were strictly followed. This role taught me the importance of teamwork and effective communication, as I often collaborated with colleagues to meet tight deadlines while maintaining high accuracy. In addition to my warehouse experience, I also worked as a kitchen assistant for over six years in a busy restaurant. In this position, I was responsible for food preparation, maintaining cleanliness in the kitchen, and assisting chefs during service hours. This role enhanced my ability to work under pressure and improved my organizational skills as I managed multiple tasks simultaneously. Both experiences have equipped me with a strong work ethic and adaptability in fast-paced environments. I am eager to leverage these skills in future roles that require diligence and attention to detail.
