<b>Background</b>	As a seasoned architect with over a decade of experience in architecture and building construction, I specialize in overseeing the design, development, and execution of residential and commercial projects. My expertise spans construction management, project supervision, team leadership, and fostering seamless collaboration to ensure projects are completed efficiently and to the highest standards. I have a strong track record in managing stakeholders, mitigating risks, and coordinating work across diverse teams. My ability to lead negotiations optimizes project outcomes while maintaining cost-effective and innovative solutions. I am highly skilled in producing detailed reports, maintaining compliance, and ensuring quality control at every stage of the project lifecycle. Currently, I supervise and coordinate construction projects, overseeing work planning, scheduling, subcontractor engagement, and resource allocation. I ensure that all projects adhere to specifications, timelines, and budgets while enforcing strict safety and quality measures on-site. My experience includes leading projects in northern Nigeria, particularly at Nigerian Army Barracks in Taraba and Bauchi states. I handle project administration, risk assessment, budget tracking, cost management, and regulatory compliance. My approach to architecture is not only about aesthetics but also about functionality, efficiency, and long-term sustainability.
