EMPLOYMENT HISTORY

Year Of Exprience 14

Background	I am a dedicated and experienced Land Surveyor with over 14 years of hands-on experience in surveying engineering. I hold a pre-diploma in Survey Engineering from CTEVT in Nepal and have worked on a wide range of projects, including construction, topographic, boundary, and engineering surveys. I am highly skilled in using modern surveying instruments such as total stations, GPS, digital levels, and CAD software for mapping and data processing. I am particularly good at interpreting engineering drawings, setting out construction sites with precision, and ensuring that all survey work meets required standards and specifications. I also have strong teamwork and communication skills, which help me collaborate effectively with engineers, architects, and contractors. Currently, I am working at Lahmeyer International GmbH - Tanahu Hydropower Project (140MW) in Nepal, where I aim to contribute to infrastructure and development projects. I am actively seeking opportunities to apply my surveying skills and constantly updating my knowledge and skills to stay up to date with the latest surveying techniques and international standards.
