EMPLOYMENT HISTORY

Year Of Exprience 10

Background	<p>This is to express my keen interest for the position Factory General Manager job id 532342 I graduated Information Technology from Jimma University Institute of Technology in July 2012. And graduated 2023 MBA at New Global Vision College Currently, I am working as lead performance under Ethiopia Telecom Since Jun 2013, we have won and implemented. My qualifications represent a background of important and diversified assignments in Information Technology Data Analyst and Report Management. As a talented Data Management, I have gained a comprehensive knowledge. I have also a vast background on in-Data Analysis and reporting part handling of different stakeholders' interest. I have carried out my Data Supervisor at Ethio telecom Offices which gave me a practical experience on: • Management and monitoring of bulk Data • Maine work only Data Analyses and compile all Company report to change executive summery I am also proficient in, as well as Microsoft Office, U2000, Netnumn and deferent software use. Since I have used this software's to analyze to execute project works and assignments. Furthermore, I am a quick learner, have good interpersonal skill which I learned during peer and cooperative group learning. I am also the team leader in the Data cooperative. I believe that I am a capable, motivated and young energetic candidate, therefore, if you give me the opportunity in your organization, I can assure you that you will not regret it. I greatly appreciate you taking the time to review my application and expectantly look forward to hearing from you.</p>
