## EMPLOYMENT HISTORY

**Year Of Exprience** 5

<b>Background</b>	My name is Kamran. I am a hardworking and motivated IT professional with experience in both frontend and backend development. I am good at developing responsive web applications using Angular, React.js, JavaScript, HTML, and CSS. On the backend side, I have experience working with .NET Core, Node.js, and Express.js. I have developed secure RESTful APIs and implemented authentication using JWT. I also have experience working with SQL databases, writing optimized queries, and integrating frontend applications with backend services. I enjoy solving technical problems and learning new technologies. I am a quick learner, adaptable, and able to work both independently and in a team environment.
