## EMPLOYMENT HISTORY

**Year Of Exprience** 5

<b>Background</b>	.With extensive experience in customer service, inventory management, and the retail watch sector in UAE, I am confident in my ability to contribute effectively to a forward thinking team. Over the past four years, I have honed my customer service skills, with the last two years dedicated to working as an Inventory Specialist. This role allowed me to develop a deep understanding of inventory control, logistics, and the importance of accurate stock management. My experience in the retail watch sector spans eight years, during which I developed a keen eye for detail and a passion for luxury timepieces. I am proficient in several industry-relevant software platforms, including SAP S/4 HANA, Newcs software, Microsoft Excel (advanced level), Sage 300, and Oracle. These tools have been instrumental in optimizing inventory processes, enhancing data accuracy, and improving overall efficiency. My technical skills, combined with my ability to analyze and interpret complex data, enable me to manage stock levels effectively and ensure smooth operations. My experience in the retail watch sector has equipped me with a unique perspective on customer needs and preferences, which I believe will be beneficial in this role. I am adept at maintaining meticulous records, forecasting demand, and implementing inventory strategies that align with business goals.
