EMPLOYMENT HISTORY

Year Of Expreience 3.5

Background	I am an Automation and Intelligence Engineer with over three years of experience at Huawei Technologies Ethiopia Plc. I specialize in big data management, system automation, and application orchestration. I am highly skilled in data analysis, ETL processes, and workflow automation using tools such as Apache NiFi, FusionInsight, SQL, and JavaScript (Node.js). I am also experienced in system integration, database management, and dashboard development for performance monitoring. At present, I am working on automation and data intelligence projects that enhance operational efficiency and decision-making through real-time data processing and visualization. I take pride in my problem-solving ability, teamwork, and continuous learning mindset, which help me deliver reliable and innovative solutions in dynamic technical environments.

NOTE:-

We are Workers in Armenia / Galaxy Seven Armenia, a recruitment and employment support organization assisting employers and foreign workers in the Republic of Armenia. We have been appointed as HR consultant for the above applicant. The above (CV) applicant is our registered and recognized candidate; therefore, we assure you that the applicant will be well-mannered, sober, and gentle. After confirming hiring eligibility, our company will assist the applicant in preparing the required documents for the work authorization process and, where applicable, for obtaining a legal work residence permit in Armenia. After completion of formalities, our company will support the applicant by providing basic but very important HSE and first-aid training. Workers in Armenia / Galaxy Seven Armenia will also provide proper knowledge to the applicant about work

ethics/behavior and the applicable laws and regulations of the Republic of Armenia. Our office representative will be accessible at all times through our Armenia office with 24/7 online support to respond to the employer (Company) and assist throughout the entire process. Our entire service follows ethical recruitment practices. We do not charge any money/fees from the applicant for VISA or JOB in Armenia.
