EMPLOYMENT HISTORY

Year Of Expreience 2.5

Background	My name is Mahesh Pavithran. I completed my post-graduation in Marine Science and Oceanography, and later developed a strong interest in information technology. This led me to pursue Linux server administration, and I am currently working as a Server Engineer at Vi Point Technologies, Ernakulam. I am skilled in managing Linux-based environments, troubleshooting server issues, and ensuring smooth hosting operations. Apart from my technical background, I also have solid knowledge in agricultural practices, which I gained through my undergraduate studies in Botany. I am also knowledgeable in fish culturing, supported by both my academic exposure and hands-on experience. Overall, I bring a unique blend of technical expertise and scientific understanding, and I am always eager to learn and take on new challenges.
