EMPLOYMENT HISTORY

Year Of Exprience 4 years

Background	My name is Anis Khan. I am an Electrical Engineer with experience in hotel construction and plant-side electrical works. I am good at electrical maintenance, troubleshooting, low-current systems, and following safety procedures. I have hands-on experience with fire alarm systems, power panels, CCTV, and basic preventive maintenance. At present, I am working with KYT Company on a hotel project, where I support electrical installation, maintenance, and daily site activities.

NOTE:-

We are Workers in Armenia / Galaxy Seven Armenia, a recruitment and employment support organization assisting employers and foreign workers in the Republic of Armenia. We have been appointed as HR consultant for the above applicant. The above (CV) applicant is our registered and recognized candidate; therefore, we assure you that the applicant will be well-mannered, sober, and gentle. After confirming hiring eligibility, our company will assist the applicant in preparing the required documents for the work authorization process and, where applicable, for obtaining a legal work residence permit in Armenia. After completion of formalities, our company will support the applicant by providing basic but very important HSE and first-aid training. Workers in Armenia / Galaxy Seven Armenia will also provide proper knowledge to the applicant about work ethics/behavior and the applicable laws and regulations of the Republic of Armenia. Our office representative will be accessible at all times through our Armenia office with 24/7 online support to respond to the employer (Company) and assist throughout the entire process. Our entire service follows ethical recruitment practices. We do not charge any money/fees from the applicant for VISA or JOB in Armenia.
