## EMPLOYMENT HISTORY

**Year Of Exprience** 5

<b>Background</b>	Experienced Aviation Fueling and Logistics Operator with over 3 years in high-precision, safety-critical environments at ADNOC Aviation and CAFU. I specialize in safe and efficient aircraft refueling, tank operations, and logistics management. My daily responsibilities include conducting equipment inspections, monitoring fuel levels and quality through regular sampling, coordinating timely fueling processes, responding effectively to emergencies (such as spills, fires, or accidents), and managing loading/offloading operations with accurate documentation. I excel at adhering to strict safety protocols while handling hazardous materials, making quick and sound judgments on operational and inventory issues, performing physical tasks reliably, and collaborating seamlessly with teams, contractors, and management. My strong attention to detail, commitment to precision, and proactive approach to process improvements ensure smooth operations even under pressure. Passionate about operational excellence and safety in the aviation and logistics sectors.
