EMPLOYMENT HISTORY

Year Of Exprience 1

Background	I'm passionate about discovering the world and everything it has to offer. I've worked with photography for the last year (2024) but I've had no employer for that. Before that, I've worked in a Brazilian restaurant as a kitchen assistant in 2022. In 2020 I had my only registered experience as a waitress in a restaurant in Florianópolis. Since 2018, when I got into university, I've participated in different projects involved with food sovereignty such as "CECANE-SC" and "TearSAN", but also in a neuroplasticity lab called LANEP. Besides the academic background, I've taken free courses on photography, massage and vegetarian cuisine. I'm dedicated and love to explore different areas in order to understand the world a bit more everyday. I'm very curious and see myself as a brave person who, despite of fear and concerns, does what has to be done to keep moving forward. For the past years, I've managed social media accounts for restaurants in Florianópolis-SC/Brazil and also have been creating Content for an IG account called @manahpelomundo..
