Background	A guest relations and operations specialist with two or more years of experience in high-volume, professional service settings and a bachelor's degree in entrepreneurial management (2025). Managing complex service requests, multi-channel (inbound and outbound) communication, and careful inventory management for technical service tickets are examples of expertise. With a track record of successfully navigating complex regulatory frameworks in the US healthcare industry and offering top-level administrative support, I'm now moving into the Italian tourism and hospitality industry to use my strong problem-solving and client-retention abilities.
