EMPLOYMENT HISTORY

Year Of Expreience	+5 years
---------------------------	----------

Background	I am a creative person making an exciting move into the tourism and hospitality industry. For the past few years, I've worked as a graphic designer and 3D environment designer, helping bring projects to life for events, social media, and marketing campaigns. I've always enjoyed creating experiences that make people feel something. Though my background is in design, I'm a quick learner, very hands-on, and not afraid of hard work. I'm also really good at cleaning and organizing, and I take pride in doing things properly. I believe my creative eye, attention to detail, and strong work ethic can be a real asset in hospitality. I'm looking forward to starting fresh, learning everything I can, and growing in this new field. I'm ready and excited to bring my energy, creativity, and reliability to a new team.
