EMPLOYMENT HISTORY

Year Of Exprience	5 year
--------------------------	--------

Background	<p>I am a skilled and hardworking Plumber and Pipeline Worker with hands-on experience in installation, repair, maintenance, and general construction support. With more than 5 years of practical experience, I have worked with water lines, drainage systems, PPR/PVC/CPVC pipe fitting, leak detection, valve installation, and basic mechanical tasks. I am reliable, honest, and physically fit, able to work independently or as part of a team. I always follow safety rules and complete tasks with attention to detail and quality. I can quickly adapt to new environments, learn new systems, and handle tools and machinery confidently. I am currently seeking an opportunity in Europe or the Middle East where I can apply my plumbing and pipeline skills, grow professionally, and contribute to a company with long-term commitment. Employers value me for my strong work ethic, responsibility, and ability to get work done efficiently.</p> <p>Skills: • Plumbing installation (PPR, PVC, CPVC) • Pipeline fitting & maintenance • Water pump & valve installation • Repairing leaks & blockages • Construction site support • Basic mechanical work • Safety & teamwork</p>
