Background	<p>I have extensive experience in both roles, which has provided me with a comprehensive understanding of security protocols and surveillance operations. As a CCTV Operator , I have worked with advanced surveillance systems, monitoring multiple camera feeds to ensure the safety and security of property and personnel. My responsibilities included: Vigilant real-time monitoring for suspicious activities and incidents. Effective communication with security personnel to relay incidents and coordinate responses swiftly. Conducting regular system checks and maintenance to ensure optimal functionality of all equipment. Reviewing and analyzing recorded footage to assist in investigations and incident reports. As a Security Officer , my focus has been on maintaining a secure environment for various facilities. My duties included: Conducting regular patrols to detect and deter any security breaches. Implementing access control measures and verifying the identification of visitors. Preparing detailed reports on daily activities and any incidents encountered. Collaborating with law enforcement and emergency services when necessary. Providing excellent customer service to patrons while ensuring safety and compliance with regulations. In both roles, I have demonstrated strong observational skills, quick decision-making abilities, and a commitment to upholding safety standards. My experience has equipped me with the skills to effectively manage security operations and respond to emergencies efficiently.</p>
