Background	I have over 28 years of experience working in agriculture. From 1996 to 2020, I worked on my own farmland, where I was responsible for all aspects of farming, including planting and harvesting crops, caring for livestock, and maintaining farm machinery and equipment. During this time, I gained extensive hands-on experience in managing a farm, ensuring the health of crops and animals, and maintaining a productive farming environment. Since January 2020, I have been working at Double Rainbow Organic Farm and Retreat Center, where I continue to apply my farming skills and expand my knowledge. My responsibilities include planting, harvesting, livestock care, operating machinery, and ensuring that the farm buildings and fences are in good condition. I am passionate about agriculture and take pride in my ability to contribute to the farm's success.
